

## **Claims**

1. A method for fund raising comprising:
  - approaching an individual on behalf of an organization;
  - providing information to said individual regarding type, quantity and cost of paper;
  - ordering said paper;
  - paying for said paper;
  - providing said information to said organization;
  - receiving said paper from a paper company; and
  - providing said paper to said individual.
2. The method of claim 1 wherein said paper is wrapped in a ream wrapper which has an identification of said organization on said wrapper.
3. The method of claim 1 wherein said paper is sold in quantities which are chosen by the buyer.
4. The method of claim 3 wherein said paper is packaged in reams of 50 to 1,000 sheets.
5. The method of claim 1 wherein said paper is sold by door to door, at stands, by telephone, facsimile, or over the Internet.
6. The method of claim 1 wherein said paper has a design, logo or other identification means placed on it.
7. The method of claim 1 wherein said paper has information placed on it which is requested by said individual before purchase.
8. The method of claim 1 wherein said paper has a holiday motif printed on it.

9. The method of claim 1 wherein said buyer can choose different borders for said paper. It is an object of the present invention for the paper to be of different sizes.
10. The method of claim 1 wherein said paper can be of different size, shape and color.
11. The method of claim 1 wherein said paper is selected from the group consisting of copier paper, computer paper, photo paper, and loose leaf paper.
12. The method of claim 1 wherein said buyer can also order other supplies, such as pens, pencils, and ink jet cartridges.
13. The method of claim 1 wherein said organization can raise money at all times of the year based on sales of said paper products.
